*) The above office note is for perusal. As regards the representation of grant for Trichur Town improvement, it may be noted that no provision could be made by the Dist on this case. No provision could be made in this office either in the Charges Supported. The items as they will finally stand if the necessary Changes are effected are shown in the two statements enclosed to the Govt's Report — Para 13 Supra

3/10/36

v. Sanction)

The proposals of the Dir of Health for the distribution of the water-supply & Improvement grants are detailed in the statement accompanying his letter dated 26/8 x. 36 which note regarding each work for which grant is made are also sent by him. He has also forwarded Estimates showing the grants asked for

Maps I & II

& V

Distribution of Town water supply Grant

Serial No.

by the several Mutts in their Drgs

The Dir of Health has recommended in all 17 Mutts.

The Director of Health discussed the question with the Secretary Secretary Member of Council on 5.10.36. As a result of the discussion, a draft G.O. distributing the grant is submitted for consideration as directed by the Secretary.

2) Water supply Grant - Rs 55,000/-

In the statement I accompanying this G.O., only grants which are intended to pay off the Govt grants in respect of water supply schemes already sanctioned and completed or are in the Contractors executive are included for serving a sum of Rs 31038 for future works. The works or schemes pending sanction, are as follows:-

1) Sakaleshpura (2) Hosaholalu 3) Chitaldrug (4) Nagamangala 5) Chickanayakanahalli (6). Chikballapur (7) Tarikere, (8) Kolar, (9) Srirangapatna and (10) Mudhugiri

The Dir of Healths [illegible]

General and Revenue Secretariat

said anything about the Ramnad water supply & Tirunelveli & Tenkasi water supply schemes. And the reason for this difference of water supply to Tirunelveli town. These are before the Govt.

Jam & Improvement Grant - Rs 40000

Pt II appended to the proceedings gives details. The following items which the Dir of Health has not included in his proposals have been included in this Office :-

1) Cost of sweeper quarters near the Jamath tanks } Rs 5000

2) Govt quota towards the Corpn of Tuticorin underdrainage scheme } 5765

3) Compensation to Municipalities & Panchayats for loss of the Pilgrim tax which was abolished } 4000 2500

4) Grants for the Nagarkhana buildings - Municipalities } 1936

5) Grant for the repairs of King George - Corporation Tenkasi - Municipality } 750

6) Construction of new godowns in the Nilgiris & Shevaroy Hills } 1525

Distribution of Town Fund & Octroi Grants—

Serial No.

As the reserve that would be left after the above are included would be very little, the following points are submitted for consideration:—

1) whether the Govt grants of Rs 5,36,91 Contributions towards the Cost of an underbridge at Lalbagh Bridge may not be met out of the Bridge Improvement grant against which it appears to be a legitimate charge. Last year when a sum of Rs 10,000 was taken from the Reserve Fund, it was out of the Savings under Bridges in Taluks which were not spent on Bridges in 35-36.

2) Whether Rs 1930 is not to be met from the Improvements to the Superintendent's building - During Dussehra, Serinagapatam may not be ordered to meet out of the allotment of Rs 2000 proposed to be given to Serinagapatam Taluk on account of the Loss of Revenue due to the abolition of Pilgrim Tax. No separate grant for the above work appears necessary as it is also an item of improvement of the Town—

This suggestion is for Consideration 19/10/36

Reserve Fund ordered

Otherwise sanctioned vide Govt Memo No 2500 1930 dated 4/43 A

Additional Grants sanctioned

NOTE—Contin Sheet.

Distribution of Grant for Improvement of water supply

File No. 17 of 1934 — General and Revenue Secretariat

Serial No

3) for the improvement of the water supply near the temple at Chamundipuram. Manjapalli, the Dy. of Health has prepared a scheme of Rs 3000/-. As this is also a part of the improvement to Manjapalli tank, it is a fit case for consideration whether the Manjapalli Panchayat may not be asked to meet it out of the grant proposed to be given to it Rs 4500/- otherwise. The Manjapalli Panchayat would get Rs 3000 + 3000 = Rs 6000/- in all

4) Several municipalities have represented for small grants for effecting improvements in their areas. If any amount is willing to contribute their quota. Further the Dewan was pleased to order that the old Khadarvalli tank may be given a grant of Rs 5000/- for year for anti-malaria control. In view of these facts it is proposed if some more reserve under Tank sufficient grant may not be kept. If the suggestions at (1), (2) & (3) above are accepted, the reserve will be about Rs 10,000/- (approx).

21/10/36

I shall be glad to speak to Mr Dew on my idea generally is that the allotment should be made for works which are periodically required by Govt on the basis of detailed estimates & annually a portion of the cost should be met by the local bodies concerned. The distribution of the grant should not be an occasion for wasting on the merits of executive schemes.

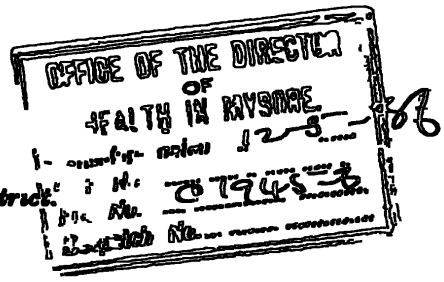
OFFICE OF THE DEPUTY COMMISSIONER,
BANGALORE DISTRICT

Dated, Bangalore, the 11th May *193* 6



FROM

The *Deputy Commissioner,*
Bangalore District.

To

The Director of Health
in Mysore, Bangalore.

Sir,

Subject —

I have the honour to invite kind reference to the statements showing the Town Improvement grants required by the several Town and Minor Municipalities in this District sent with this office No.C2.178/35-36 dated 5th August 1935, etc., and to state that grants have been sanctioned during the current year only to the marginally noted Municipalities. The remaining -

1. Kankanhally	Rs.	1700/-
2. Magadi		2000/-
3. Closepet		1000/-
4. Channapatna		1000/-
5. Dodballapur		2000/-
Total	Rs.	7700/-

Municipalities in this District have also not got sufficient funds at their credit for attending to some of the improvements that are of an urgent nature. The Municipal Councils have been repeatedly urging for town Improvement grants for carrying out the works. The Municipal Council Anekal have recently resolved at their meeting held on 30-3-1936 that sanction of Government may be obtained to the grant of a sum of Rs.5000/- for town improvement works. A copy of the resolution is also enclosed for reference. Unless some grant is sanctioned improvement works cannot be undertaken in any of the Municipalities in this District. I request therefore that at the time of distributing the grants for the next year the needs of the other remaining Municipalities in this District including that of Anekal may kindly be considered favourably and suitable grants made

I have the honour to be,
S i r,
Your most obedient servant,

FOR DEPUTY COMMISSIONER.

FROM

The PRESIDENT,
Town Municipal Council,

OFFICE OF THE DIRECTOR OF HEALTH IN MYSORE
Bangalore, dated 25-5-36
G. O. No. L 1745-6
File No.
Despatch No.

TO

The Director,
of Health, in Mysore,
Bangalore.

SIR,

I have the honor to enclose herein copy of this office Letter No. 943/35-36 dated 19th May 1936 addressed to the Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore re\Comprehensive scheme of water supply for the Kolar Town and to state that the New Hospital is coming up rapidly and the entire building may be completed within 4 or 5 months and the Municipality has to give adequate supply of water to the Hospital

I have already intimated to you the necessity for improving the water supply of this town in D O. Letter No. 274/35-36 dated 2nd October 1935 and I therefore request you to kindly secure a Government grant of Rs5000/- out of the allotment for the next year, viz, 1936-37.

I have the honor to be,
Sir,
Your most obedient servant,

President,
Town Municipal Council, Kolar.

Letter No.764/35-36 dated the 4th June 1936, from the President, Town Municipal Council, Anekal, to the Deputy Commissioner Bangalore District, Bangalore.

--:oOo:--

With reference to your letter No C2.4045/35-36 dated 28 May'36 regarding the grants required from this Municipality for the year 1936-37, I have the honour to state that Rs.5,000/- at least is required for town improvements from a sanitary point of view Rs.1500, has already been provided in the Budget Estimate of the ensuing year under the item of Public works. I would particularly request that the grants asked for may be sanctioned by Government as it is impossib to stress their urgency. Government should also take into account the public spirit of the citizens who have come forward so generously with donations towards the water-supply scheme of the town It was not easy to collect Rs.2,500/- (so far) from a poor town like Anekal, and I am confident that much more will be subscribed by them An estimate for Rs.14,740/- has been prepared by the Sanitary Engineer, we look to Government to give us their quota of Rs 7,370/- while we can be held responsible for the other s.7,370/- The total donations so far have amounted to Rs.5,000/-, we should be able to reach our limi of Rs.7,370/-.

No greater tribute can be paid to the enterprise and energy of the towns-people than by Government sanctioning what is asked for as a matter of great urgency

S i r,

Re. Grants for Water Supply and Town Improvements from a Sanitary point of view.

Adverting to your letter No. C. 1945-5/35-36 dated 19th May 36 requesting to intimate the names of the Municipalities which require grants for the above purpose etc. and subsequent reminder thereon, I have the honor to state that a sum of Rs 10,000/- is required during 1936-37 for the undermentioned works in the several Municipalities as indicated against each. :-

Name of work.	Grant.	Name of Municipality requiring the grant.
1. Drainage works.	Rs 1,000.	Kadur Municipal Council.
2. Improving the filter bed and store house.	Rs 979.	Do.
3. Improving the sanitation of the Town by pulling down the old dilapidated Fort walls and filling in the moat.	Rs 1,000.	Do.
4. Improving the congested area in the Upparakere of the Town.	Rs 1,000.	Tarikere Municipal Council.
5. Construction of Silk Pattern drains.	Rs 1,000.	Chickmagalur Municipal Council.
6. Improving sanitation by opening up of lanes, etc.	Rs 1,000.	Do.
7. Diversion of the channel which flows through the Town and which is the main cause of sickness in the Town.	Rs 1,000.	Do.
8. General improvements as directed in the Dewan's Tour Notes.	Rs 2,500/-.	Do.
T o t a l.	Rs 9,479/-.	
or	Rs 10,000/-	in round figures.

On account of slender resources of revenue, the other Municipalities are unable to take up such works.

The above items of works are necessary in the interest of public health and are to be executed during the -

I may add that in regard to improvement of Water Supply Scheme of Chickmagalur Town, a separate reference had been submitted to Government to grant a loan of Rs 22,500/- and to sanction a like grant to the Municipality for working up the scheme. The scheme h been ordered to be kept in abeyance for want of funds, by Government in Government Order No L. 9625/M1.74-35-10 of 18th June 36. A separate reference will be made in this matter

I request you to be so good as to move the Government to sanction a grant of Rs 10,000/- out of the Town Improvement grant for execution of the works specified above in the respective Municipalities

I have the honour to be,

S i r,

Your most obedient servant,

For Deputy Commissioner,
Kadur District.

Sir,

Adverting to your letter No.1945-5/35 dated 13-5-35 and subsequent reference of even No. dated 19-5-35, requesting me to intimate the amounts requ[redacted] by the several Municipalities for Town Improvement Works etc , during 1936-37, I have the honor to state as follows.-

The President, Madhugiri Town Municipality requests for a grant of Rs.3500/- for the water supply scheme and of Rs.1000/- for the Drainage Scheme A sum of Rs 2050/- was sanctioned during 1935-36 for the water supply scheme of the Town but as the work could not be executed, the amount has been transferred to the Ganjam Water Supply Scheme, as per G O.No.L.9483-93/M1.113-35-30 dated 15-6-36. The Municipal Council have provided a sum of Rs 2000/- in the Budget Estimates for 1936-37 for the water supply scheme and also for the recurring expenditure.

The President, Kunigal Town Municipality states that as it is necessary to provide a good [redacted] sized tank for storage of water and an air compressor a certain sum as grant is necessary The construction of drains in the Town is also very necessary and a sum of Rs 2300/- has been provided for this purpose in the Budget Estimates for 1936-37

The President, Tumkur Town Municipality, has requested for a grant of Rs 10,000/- for (a) formation of a square (2) formation of parks (3) improvement of vegetable market and (4)asphalting the road He stated that the council can spare a sum of Rs 2000/- only towards the same

The President, Sira Municipality, request that a sum of Rs 2000/- may be sanctioned for the Drainage Scheme. This grant seems very necessary

The construction of a drinking water well for the Adikarnatakas at Koratagere Town is of urgent necessit The Municipality with its limited income of Rs 3800/- per y

per year cannot contribute anything towards this work. An estimate for Rs.795/- has been prepared long back but the work has not been executed for want of funds This work requires special consideration The entire amount of Rs.795/- may therefore be specially got sanctioned.

In view of the above, I request that a sum of Rs.8000/- under water supply and of a similar sum under Town Improvement Gran may kindly be sanctioned to this District.

I have the honor to be,
Sir,
Your most obedient servant,

For Deputy Commissioner,
Tumkur District.

T.M.C. 27/6

from a Bore-well. During the previous year, it was proposed to complete the one well sunk there out of Municipal funds and a grant of Rs 2000/- was sanctioned in Government Order No. 2221-31/M1. 113-35-3 dated 18-10-1935. The work has, however, been dropped as the Sanitary Engineer has since prepared an estimate for Rs 22,160/- to supply the whole town with filtered water from a perenial stream near the town by constructing a small dam across it. This estimate had also been submitted to Government for sanction and for grant of half the cost of the scheme, but it has been returned for a further report.

It is also recommended that the amount of expenditure over the present Bore-well may be taken into consideration in fixing the grant and to treat the sum of Rs 2000/- referred to above as a part of the Government grant applied for. It is likely that the maintenance charges will be reduced by the Sanitary Engineer.

3) Water supply to Kunoi Town.

The proposal is for supplying water to the town from a Bore-well. The Secretary to Government in his letter No. L. 2705/M1. 207-35 dated 16-10-1935 conveyed the instructions of Government that the work might be started as it would cost about Rs 7000/- to Rs 8000/- and that the expenditure might be met out of the closing balance of the Municipality. The Municipal Council have applied for information as to the cost of a well of 100 feet, for which a reference has been made to you in this office Fa. 875-98/34-35 dated 30-4-1936.

The cost of a well of 150 feet deep is stated to be Rs 1000/- as stated in your letter No.C. 998-41 dated 4-2-1936 and the inadequacy of funds is in the way of taking up the work early. At least half of it may be kindly sanctioned by Government as a grant. All these three works will have to be provided for during 1936-37.

No. M.A. C. 2035-451/35-36.

OFFICE OF THE DEPUTY COMMISSIONER,
SHIMOGA DISTRICT

Dated Shimoga, 2nd July 193 6.

Director of Health

in Mysore, Bangalore.

SIR,

With reference to your letter No.C. 1945-8/35-36 dated 19-8-1936 regarding the Municipalities which require grants from Government for Water supply and Town Improvement Works in this district I have the honour to state that estimates have been prepared by the Sanitary Engineer for the three marginally noted Water supply schemes of this district and that they are at various stages of correspondence.

1. Honnali.
2 Channagiri.
3. Kumsi.

1) Water supply scheme of Honnali Town.

An estimate for Rs 21,5 0/- prepared by the Sanitary Engineer was approved by the Municipal Council and submitted to the Government for sanction. The Municipal Council has agreed to meet half the cost and for the other half the sanction of Government is sought for to meet it out of State Funds.

The Municipal Council have taken action to levy water tax for meeting the expenditure on account of annual maintenance and the other recurring charges. The papers are now with the Amildar, Honnali for submitting a report on the points raised by the Government.

2) Water supply scheme for Channagiri Town.

The scheme originally proposed was to supply water to the Town

2. In regard to the other Town Improvement works applications are being received for the same. The funds required for these works (noted below) which have to be carried out in the Municipalities of Shimoga, Bhadravati, Sagar and Thirthahalli have to be supplemented with Government grants.

1) Last year a recommendation was made for the grant of Rs 3000/- for anti-malarial campaign and Rs 1575/- for the construction of groynes to the river Tunga in the Shimoga Town. Only a sum of Rs 2000/- was sanctioned for filling pits which was subsequently allowed to be utilised for removing congestion by acquiring a row of houses in Kanchugarakeri of the Town. The Executive Engineer, Shimoga Division has, at the instance of the Sanitary Engineering Department prepared an estimate for Rs 4410/- for the construction of sub-soil jelly drains for draining the water logged area in the Durgigudi extension. As this work is absolutely necessary for preventing malaria the importance of which is referred to in your letter No.C. 1032 dated 4-12-1935 necessary funds will have to be provided therefor.

Besides this work, there is an estimate for Rs 1575/- received from the Superintending Engineer for construction of new groynes to the river at Savoy Palya. In your letter No. C. 132-35 dated 8-12-1936 it was intimated that the question would be kept in view at the time of the distribution of funds for 1935-36 but the estimate was subsequently returned without any allotment being made for it with your letter No. C. 6-41/35-36 dated 2-10-1935.

A recommendation has however been submitted to Government for meeting the cost of the work out of Public Works Funds or out of Town Improvement Grant for the current year. The

The necessary funds ~~have~~ will have to be provided for at least during this year.

Letter No. PW.C. 1892-406/35-36 dated 12-4-1936.

Further you are aware that the Shimoga Town is in urgent need of urgent improvements such as filling up of insanitary pits etc. A lump sum grant of Rs 2000/- for this purpose may be provided. If this is done, the tank near the Town Hall and other mosquito breeding pits could be filled up.

3. It need hardly ~~my~~ be said that Bhadravati Town requires improvement. A sum of Rs 1 00/- sanctioned for removal of slums was spent, with your approval for acquiring houses and removing congestion near the Railway Station. Proceedings for acquiring these huts are reported to be almost complete.

A sum of Rs 2000/- may be granted to this Town during the year 1936-37, also for a similar purpose and effecting other improvements in that town.

4. The Municipal Council of Sagar have an estimate for Rs 2457/- prepared for improving the junction of two important roads in the Petta by acquiring a portion of some houses at the corners. The Council is urging for Government grant for taking up this work. On a recommendation made to Government, for sanction of half the estimated cost out of State Funds, instructions have been issued (vide Development Secretary's letter No.L. 9188/M1. 95-35-38 dated 4-6-1936) to renew the request early next year through the Director of Health as funds were not available under the Town Improvement grant for the current year.

5. The Minor Municipal Council of Shiralkoppa have appl' for a grant of Rs 2 00/- to take up urgent works of im rovement such as the filling up of an insanitary Honda by the side of the Drinking Water Honda in the middle of the Town and for tarring the road leading to Hirekarur as it is in the mai n and bazaar street of the town and is very dusty during the dry months. The dust should only be seen to be believed.

The District Health Officer has stated that the Honda proposed to be filled up is being polutted and that there is always the risk of the water in the Drinking Water Honda being contaminated by percolation etc., With regard to the necessity for tarring the road, he states that there is heavy bullock and cart traffic in the street, that the nature of soil is such that the atmosphere there is always dusty affecting the health of not only the shop keepers and their families but also the public who resort to make their purchase

6. The Shikarpur Water supply estimate proposed by the Sanitary Engineer for Rs 20,500/- has been returned unsanctioned by Government on the ground that the resources of the Municipality are too meagre to meet the commitments involved. Steps are being taken to show improved resources and the Sanitary Engineer has in his No. 5511 dated 7 6 36 reduced the maintenance charges to Rs 1570/- per year. The Town is in urgent need of a water supply scheme as in summer the townspeople are having a very bad time on account of all the wells drying up. Half the cost of the estimate may be kindly arranged to be provided for during 1936-37 as a grant therefor. To summarise, the marginally noted

1.	Honnali.	Rs 1075/-	Water supply.
2	Channagiri	10422/-	-do-
3	Kumsi	500	Bore-well.
4	Shimoga	7985/-	Sanitary & other improvement work
5	Bhadravati	2000	-do-
6	Sagar	1490/-	Town Improvement.
7	Shiralkoppa	2 00	Sanitary works.
8	Shikarpur.	10250/-	Water supply.
	TOTAL.	Rs 43397/-.	

98

sums may be kindly recommended by you for being sanctioned as grants for this district during 1936-37. I need hardly say that for this far off and Malnad District, these proposals can never be considered as extravagant and I feel confident you will give them your full support.

I have the honour to be,
Sir,
Your most obedient servant,
Sd/-. S.Narayana Rao,

Deputy Commissioner,
Shimoga District.

4/7/36

4/7/36 Copy of the above is forwarded with compliments to the Secretary to Government, Development Department, Bangalore.

S. Narayana Rao

Deputy Commissioner,
Shimoga District.

proposals are being called for from the Director of Health for the distribution of the Town Improvement and water supply grants for the year 1936-37

This will be placed in the file of the Govt.

To

The Director of Health
in Mysore, Bangalore.

Sir,

Adverting to your letter No.C.1945-18 dated 10-7-36 calling for certain information re: Sira and Koratagere Municipalities, I have the honor to state that the Sira Municipal Council have provided a sum of Rs.1500/- in their Budget Estimates for 1936-37 for the drainage scheme. The President, Koratagere Municipality, has been requested to intimate the population of Adikarnatakas of Koratagere Town and on receipt of the information, a reply will be sent to you.

I have the honor to be,
Sir,
Your most obedient servant,

For Deputy Commissioner,
Tumkur District.

T.M.C. 15/7

from a Bore-well. During the previous year, it was proposed to complete the one well sunk there out of Municipal funds a grant of Rs 2000/- was sanctioned in Government Order No. 2821-31/Ml 113-35-2 dated 18-10-1935. The work has, however, been dropped as the Sanitary Engineer has since prepared an estimate for Rs 22,160/- to supply the whole town with filtered water from a perenial stream near the town by constructing a dam across it This estimate had also been submitted to Government for sanction and for grant of half the cost of the scheme, but it has been returned for a further report.

It is also recommended that the amount of expenditure over the present Bore-well may be taken into consideration in fixing the grant and to treat the sum of Rs 2000/- referred to above as a part of the Government grant applied for It is likely that the maintenance charges will be reduced by the Sanitary Engineer

3) Water supply to Kumsi Town

The proposal is for supplying water to the town from a Bore-well The Secretary to Government in his letter No. L 2705/Ml. 207-33 dated 16-10-1935 conveyed the instructions of Government that the work might be started as it would cost about Rs 700/- to Rs 800/- and that the expenditure might be met out of the closing balance of the Municipality The Municipal Council have applied for information as to the cost of a well of 100 feet, for which a reference has been made to you in this office No 675-98/34-35 dated 30-4-1936.

The cost of a well of 150 feet deep is stated to be Rs 1000/- as stated in your letter No C. 998-41 dated 4-2-1936 and the inadequacy of funds is in the way of taking up the work early At least half of it may be kindly sanctioned by Government as a grant. All these three works will have to be provided for during 1936-37

2 In regard to the other Town Improvement works applications are being received for the same. The funds required for these works (noted below) which have to be carried out in the Municipalities of Shimoga, Bhadravati, Sagar and Shiralkoppa have to be supplemented with Government grants.

i) Last year a recommendation was made for the grant of Rs 8000/- for anti-malarial compaign and Rs 1575/- for the construction of groynes to the river Tunga in the Shimoga Town Only a sum of Rs 2000/- was sanctioned for filling pits which was subsequently allowed to be utilised for removing congestion by acquiring a row of houses in Kanchugarakeri of the Town. The Executive Engineer, Shimoga Division has, at the instance of the Sanitary Engineering Department prepared an estimate for Rs 4410/- for the construction of sub-soil jelly drains for draining the water logged area in the Durgigudi extension As this work is absolutely necessary for preventing malaria the importance of which is referred to in your letter No C 1032 dated 4-12-1935 necessary funds will have to be provided therefor

Besides this work, there is an estimate for Rs 1575/- received from the Superintending Engineer for construction of new groynes to the river at Savoy Palya In your letter No C 132-38 dated 8-12-1934 it was intimated that the question would be kept in view at the time of the distribution of funds for 1935-36 but the estimate was subsequently returned without any allotment being made for it with your letter No C 6-41/35-36 dated 2-10-1935

A recommendation has however been submitted to Government for meeting the cost of the work out of Public Works Funds or out of Town Improvement Grant for the current year The

The necessary funds ~~funds~~ will have to be provided for at least during this year. Further you are aware that the Shimoga Town is in urgent need of urgent improvements such as filling up of insanitary pits etc. A lump sum grant of Rs 2000/- for this purpose may be provided. If this is done, the tank near the Town Hall and other mosquito breeding pits could be filled up

Letter No M3 C. 1892-406/35-36 dated 12-4-1936.

3 It need hardly ~~may~~ be said that Bhadravati Town requires improvement. A sum of Rs 1000/- sanctioned for removal of slums was spent, with your approval for acquiring houses and removing congestion near the Railway Station Proceedings for acquiring these huts are reported to be almost complete.

A sum of Rs 2000/- may be granted to this Town during the year 1936-37, also for a similar purpose and effecting other improvements in that town

4. The Municipal Council of Sagar have an estimate for Rs 2457/- prepared for improving the junction of two importan roads in the Petta by acquiring a portion of some houses at the corners The Council is urging for Government grant for taking up this work. On a recommendation made to Government, for sanction of half the estimated cost out of State Funds, instructions have been issued (vide Development Secretary's letter No L 9158/M1. 95-35-58 dated 4-6-1936) to renew the request early next year through the Director of Health as funds were not available under the Town Improvement grant for the current year.

5. The Minor Municipal Council of Shiralkoppa have appl for a grant of Rs 2000/- to take up urgent works of improvement such as the filling up of an insanitary Honda by the side of the Drinking Water Honda in the middle of the Town and for tarring the road leading to Hirekarur as it is the ma and bazaar street of the town and is very dusty during the dry months The dust should only be seen to be believed.

The District Health Officer has stated that the Honda proposed to be filled up is being polutted and that there is always the risk of the water in the Drinking Water Honda being contaminated by percolation etc , With regard to the necessity for tarring the road, he states that there is heavy bus and cart traffic in the street, that the nature of soil is such that the atmosphere there is always dusty affecting the health of not only the shop keepers and their families but also the public who resort to make their purchase

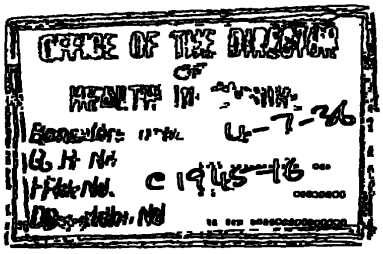
OFFICE OF THE DEPUTY COMMISSIONER,
KADUR DISTRICT

Chikmagalur, dated 3rd July 1936



FROM

The Deputy Commissioner,
Kadur District.

To

The Director of Health in Mysore,
B a n g a l o r e.

Sir,

FUNDS FOR TOWN IMPROVEMENT.

With reference to your letter No.C.1945-4 dated 13-5-1936 requesting to inform the names of the Municipalities which are able to spend money out of their funds for town improvement and the amount that they can spend during 1936-37, I have the honour to state that the Presidents of the several Municipalities other than those of Chikmagalur and Kadur report that no amount can be spared for this purpose out of the budget grants for 1936-37, on account of paucity of funds.

The Chikmagalur and Kadur Municipal Councils have provided funds in the budget for 1936-37 for the works specified in the margin.

Chikmagalur	
1. Constructing a Vegetable Market	Rs 4000/-
2. -do- Silk pattern drain	Rs 1000/-
	5000/-
K a d u r.	
1. Constructing drains.	Rs1000/-

I write to - request you to be so good as to obtain sanction of Government for sanctioning a like grant out of Town Improvement Grant in the case of the two Municipalities referred to above and also for sanctioning the grants referred to in this office letter No.A3-4642/35-36 dated 28-6-1936.

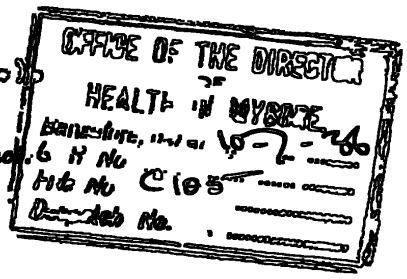
I have the honour to be,
Sir,
Your most obedient servant,

For Deputy Commissioner,
Kadur District.

In all future correspondence please quote this
No. AD.C.C.402/V3 D-30.
Rmds. T.C.

OFFICE OF THE DEPUTY COMMISSIONER,
KOLAR DISTRICT

Dated Kolar, the 6th JULY 1939



FROM

J. Appaji Gowda, Esq., B.A. (Hons.),
Indian Civil Service,
Deputy Commissioner,
Kolar District.

To

The Honble Sir M. Visvesvaraya, Esq., B.A.,
SECRETARY TO GOVERNMENT OF MYSORE,
Development *Department,*
Bangalore.

SIR,

I have the honour to state that an estimate for Rs 7,543/- for improving drainage works in Goribidanur Town was sanctioned by Government in their order No: L.S.955-S/M1.77-38-2 dated 22nd October 1938 and the work was entrusted to the Public Works Department for execution. A sum of Rs. 3,500/- only was paid by the Municipality for the work and an outlay of Rs. 1,921/- only was incurred by the end of 1938-39. The work was stopped at this stage for want of funds.

2. Subsequently in 1933-34, on the motion of the Municipal Council, the work was resumed but the execution was taken up this time by the Bureau of Sanitary Engineering under Government Order No: L. 7915-17/M1.66-33-21 dated 10th April 1934. A grant of Rs. 5,078/- was sanctioned by Government in the same order.

3. After completion of this work in 1934-35, the Sanitary Engineer proposed an estimate for 3 items of work as noted in the margin and the same has been executed and signed by the President of Municipality in pursuance of the resolution of the Municipal Council dated

1. Extension of the main drain in Bangalore-Lingapur Road and construction of Soakpit tanks. - Rs 3,926/-.	same has been executed and signed by the President of Municipality in pursuance of the resolution of the Municipal Council dated
2. Construction of masonry wall on the sides of the existing kutcha pattern drain. - Rs 2,045/-.	
3. Constructing a silk pattern drain in front of the Taluk office square. - Rs 895/-	
Establishment, tools and plant charges. - Rs 470/-	
Rs 8,096/-	

28th April 1956, agreeing to pay Rs. 5,188/- mate, being half the cost, excluding the Establishment and Plant charges. The Municipal Council have agreed to the Establishment and Tools and Plant charges at 7½ %, while Government Order No: L.Sl66-66/Mi.66-65-2 dated 18th September the amount to be paid is only ½ % of the estimate, which works out Rs. 6576/200 or Rs. 32/- approximately. This amount will be to be paid by the Municipality after consulting the Bureau of Engineering. As the Municipal Council are not in a position to the entire cost of the work, they propose to pay Rs. 5,188/- and that the remaining half may be met by the Government.

5. The Municipal Council have at their credit a Sum of Rs. in the Savings Bank account and Rs. 2,770/- in the current

6. After payment of Rs. 5,188/- for the work, the balance both in Savings Bank account and the current account will be Rs. 4,200/- is more than the minimum working balance of the Municipality.

7. I recommend the proposal of the Council and request that estimate may be kindly sanctioned. The grant of Rs. 5,188/- app for may also be kindly sanctioned, out of the current year's all under "Town Improvement Grants".

A copy of the resolution of the Council is enclosed for favour of reference.

I have the honour to be,
S i r,
Your most obedient servant,

Sd/- J. Appaji Gowd
Deputy Commissioner,
Kolar District.

MVK.5.

M e m o.

Copy is forwarded with compliments to the Executive Engineer, of Sanitary Engineering for favour of information that the Establi and tools and Plant charges of ₹ 478/- provided in the Estimate wi to be limited to Rs. 32/- under Government order dated 18-9-1956.

Copy with compliments to the Director of Health for information a request that in allotting the funds for the current year, necessary provision may kindly be made in respect of Goribidnur town also.

MVK.

No L.D.18.C.3770-35.

OFFICE OF THE DEPUTY COMMISSIONER,
HASSAN DISTRICT.

Dated, Hassan, the 3rd August 1936.

From

Abdul Aziz Khan, Esq., B.A.,
Deputy Commissioner, Hassan District.

To

P. Parthasarathi, Esq., L.M.S., B.Sc.Sc., (Mad),
L.R.C.P. & S (Edin.), D.T.M. (Lond), D.P.H. (Camb.),
Director of Health with the Government of Mysore
Bangalore.

Sir,

With reference to your letter No:C.1245-5/35-36 dated 19th May 1936, requesting me to intimate the names of the Municipalities which require grants for water supply and town improvement schemes during the current year, I have the honor to state as follows:-

1. The President, Hassan Town Municipal, has reported that Town Improvement works costing ₹ 74,330/- is proposed to be taken up and that a sum of ₹ 60,330/- would be met by the Municipality. The sum of ₹ 54,000/- which is the estimated cost of the Drainage Scheme. The estimate and the connected records have been submitted to Govt., for orders as the Municipal Council have applied for a loan of ₹44,000/- and a grant-in-aid of ₹ 10,000/- from Government for taking up the work. A grant-in-aid of ₹ 4,000/- had been sanctioned for this work last year, but the same was withdrawn and sanctioned to the Chikkaballapur Municipality.

2. This Municipal Council have proposed to construct a vegetable market at a cost of ₹ 4,000/-. They had requested permission to utilize the grant-in-aid of ₹ 4,000/- sanctioned for the drainage scheme last year, but this was not sanctioned.

In these circumstances, I request you to be so good as to provide a sum of ₹ 10,000/- for the Drainage Scheme and a sum at least ₹ 2,000/- for the vegetable market.

In all future communications please quote

SIR,

Subject –

(number is C1945-42)

Que 23/7

With reference to your letter No. C2-4045/35-36 dated 25th June 1936 regarding the grant of Rs 5000/- for the Anekal Municipality for Town Improvement Work, I have the honour to state that it is reported that the said grant is required for the marginally* noted Town Improvements.

Rs 5000/-	1. Forming the new extension. 2. Forming Prince Sree Jayachamarajendra Circle. 3. Formation of Rajamantrapravina S.P. Rajagopalachari's road. 4. Providing proper drainage in most necessary places.

I have the honour to be,

SIR,

Your most obedient servant,

For Deputy Commissioner,
Bangalore District.

RNS/

3 The Saklespur Town Municipal Council have proposed to take up Water-Supply and other town improvement works costing in the aggrega ₹41,000/- and to meet a sum of ₹ 21,000/- out of it. The estimate f the water supply scheme to Saklespur, costing ₹ 30,000/- has been submitted to Government for sanction and a recommendation has alew bee to sanction a grant-in-aid of 1/3rd of the estimated cost This comes to ₹ 10,000/- The other important item of work proposed to be taken up by this Municipality is the drainage scheme, at a cost of ₹ 5,000/-. As this proposal has not materialized and as the Council will have to mee ₹20,000/- instead of ₹ 15,000/- for the water supply scheme, the quest of sanctioning a grant-in-aid for the drainage scheme may be considered later on

4 The Arsikere Town Municipal Council have proposed to take up the drainage scheme at a cost of ₹ 6,000/-. They have also provided this amount in their Budget for the current year. The President reports that the Council expect a grant-in-aid of at least ₹ 3,000/-. Pending furthe correspondence, I think a grant-in-aid of ₹ 3,000/- may be sanctioned to this Municipality as the extension scheme of water supply will be tak up shortly and the drainage scheme has also to be taken up urgently.

5 The Arkalgud Minor Municipal Council have proposed to take up the Water Supply Scheme at an estimated cost of ₹ 6,600/- They have promise to meet half the cost by collecting public subscriptions and have already collected ₹ 2,000/-. A recommendation has been made to Government to sanction the estimate and also a grant-in-aid of half the cost. Pending the orders of Government in the matter, I request that a sum of ₹ 3,300 may be sanctioned to this municipality during the current year, as the sum of ₹ 2,000/- sanctioned last year lapsed to Government owing to the estimate not having been sanctioned

6 The Konanur Municipal Council have resolved to bear 2/3rds of the cost of the excess expenditure of ₹ 3,300/- on account of the water sup

scheme. and requested that the balance of ₹ 1100/- being the remaining 1/3rd of the cost might be met by Government This has been reported to Government. I request you, therefore, to be so good as to provide a sum of ₹ 1,100/- out of the Water Supply Grant of the current year, for this purpose

7 The Chennarayapatna Minor Municipal Council have taken up the drainage scheme and are getting the work done as funds permit The estimated cost is ₹ 12,088/- Working amounting to about ₹ 2,800/- was got done during 34-35 and 35-36. Government have, so far, sanctioned a grant-in-aid of ₹ 1,500/- The President reports that a sum of ₹1000/ has been provided in the current year's Budget for taking up a further portion of the Drainage Scheme and some other items of work As the estimate has already been sanctioned and the work has been started, a further grant-in-aid of ₹ 1,000/- may be sanctioned to this Municipality

8 The Sravanabelagola Minor Municipal Council have taken up the improvement works suggested by the Dewan They have so far met ₹1,558/- out of which a sum of ₹ 1,280/- represented Government Grant The President reports that a sum of ₹ 1,000/- has been provided for these works during the current year and has requested for a decent grant-in-aid I request you to be so good as to provide a sum of ₹ 1,000/- out of the current year's Town Improvement Grant, agreeably to the provisions contained in G O No L 6006 [redacted] 23-34-56 dated 27-2-1935, on this subject, as the cost of acquisition and the remaining items of work has to be met by the Council

9 The Banavar Minor Municipal Council have proposed to take up the Drainage Scheme The fresh estimates furnished by the Sanitary Engineer are for about ₹ 8,000/- in round figures The Municipal Council have provided ₹ 2,000/- for this purpose in the current year's budget As the grant-in-aid of ₹ 1,000/- sanctioned to this Municipality last year, lapsed, to Government, I request you to be so good as to provide ₹1,000/- for this purpose out of the current year's allotment for town

10. The President, Belur Municipal Council has reported that the Water Supply Scheme costing ₹ 20,000/- has to be taken up and that a sum of ₹ 4,000/- would be met by the Municipality. As this Municipality has not got sufficient money at its credit and as the feasibility of the proposal has to be examined the case of this Municipality for a grant for the Water Supply Schere may be considered later on. But some amount is necessary for dismantling the fort walls and filling up the ditch as suggested by the Dewan. A grant-in-aid of ₹ 500/- may be sanctioned to this Municipality from the current year's Town Improvement grant

11 The Holenarsipur Municipal Council have proposed to take up the drainage schere and other improvements But in view of their heavy commitments, they have not been able to finance these schemes The question of sanctioning a suitable grant-in-aid for the drainage Scheme may be considered after the estimate is received from the Sanitary Engineer

12. Besides the above items, a sum of ₹ 12,750/- has to be provided out of the current year's grant for Water Supply for paying the Gover share of the exten scheme of water s to Arsikere Town, a this amount was surrendered last year.

Name of Municipality.	Water Supply. ₹	Town Improvement ₹
1 Hassan	~~12,750/-~~ --	12,000/-
2 Arsikere	12,750/-	3,000/-
3. Banavar	--	2,000/-
4. Belur	--	500/-
5. Saklespur	10,000/-	--
6 Konanur	1,100/-	--
7. Arkalgud	3,300/-	--
8 Chennarayapatna	--	1,000/-
9 Sravanabelagola	--	1,000/-
Total	27,150/-	19,500/-

Summing up, I request you to be so good as to recommend sanction to a total grant-in-aid of ₹ 27,150/- for Water Supply a sum of ₹ 19,500/- for town improvement in the several M

of the District as detailed in the margin, during the current year.

I have the honor to be,
Sir,
Your most obedient servant,

With reference to your letter No L. 1721 dated 29th August 1936 on the above subject, I have the honour to forward herewith a revised statement showing the distribution of water supply grants with brief notes indicating (1) whether the scheme has been sanctioned, (2) the portion of Government grant already paid (3) the balance that is to be paid and (4) the amount proposed to be given during the current year A statement showing the commitments and proposals for the distribution of town improvement grants is also enclosed for favour of perusal and orders of Government.

I have the honour to be,

Sir,

Your most obedient servant,

P P Parthasarathy

DIRECTOR OF HEALTH

Statement showing distribution of grants for 1936-37 under

30. Grants for Public Improvements.

2. Improvement of water supply in towns.

Name of work	Government grant recommended.	Remarks
BANGALORE DISTRICT.		
1. Channapatna	3,217	The scheme has been sanctioned. The Government share is Rs.24,500. The total grant given in previous years 1933-34 5,500 1934-35 12,583 (by reappropriation as per G.O.No L.8827-32 M1 56-34-47 dated 28-6-35) 1935-36 3,200 Total 21,283 The balance of Rs.3217 is provided this year.
2. Closepet	5,475	The estimate for Rs 25,850 has been sanctioned in G C.No L 13-15/M1 233-34 dated 5-6-1936 A sum of Rs 7450/- was made available during 1935-36 by re-appropriating grants sanctioned for other works as per G C No.L.9483-93 M1 113-35-30 dated 15-6-1936 The balance of R. 5475/- towards Government share is provided in the current year's budget grant
3. Hoskote	5,000	The estimate for Rs 17,440/- has been submitted for sanction in this office letter No C 311-5 dated 20-8-36 The municipality is prepared to bear half of the cost A sum of Rs 5000 towards Government share is provided this year The municipality is very keen in starting of the work immediately and is prepared to pay its quota immediately.
	13 692	
HASSAN DISTRICT.		
4. Saklespur	4,708	The estimate is for Rs.29,125. A sum of Rs.4708 is provided this year The balance of Rs 5000 will be made available during the next year
5. Arakalgud	3,150	The estimate is for Rs 6300 It is proposed to give this year half of the estimated cost towards Government share as a sum of R. 2000 provided for the work during 1935-36 was lapsed and reappropriated for other works The municipality is prepared to meet half the cost

6. Holenarasipur	1,421	The work has been completed and a revised estimate for Rs.54,183 has been sanctioned in G.O.No L.665-67 Ml. 81-36-1 dated 22-7-36 The Government share is Rs.18,061. A sum of Rs.5000 was given in 1934-35 " 5000 1935-36 A sum of Rs.1040 was reappropriated as per G.O.No L.9483-93 Ml 113-35-30 dated 15-6-36 Another sum of Rs.5,600 was reappropriated. A balance of Rs 1421 only has to be paid towards Government share and not Rs.1450 as mentioned in the original proposal.
7. Konanur	1,100 / 10379	The detailed estimate for Rs.24,800 was sanctioned in G.O No L.1066-68 Ml 105-33-8 dated 4th August 1936 One third of Rs 3300 excess over the original estimate is provided now as per the above Government order
KADUR DISTRICT.		
8. Tarikere	3,985	The estimate has been submitted to Government for sanction by the Deputy Commissoner, Chickmagalur as intimated in this office letter No. C.91-4 dated 29-7-1935 A sum of Rs 3000 provided for the work last year was reappropriated for other works as per G.C No L 9483-93 Ml 113-35-30 dated 15-6-36 A sum of Rs 3985 is provided this year for the work towards Government share
9. Chickmagalur	4,500 / 8485	A grant of Rs 4,500 is provided as recommended in U C No C.1133-6 dated 31-1-36 towards improvement of water works by duplicating the supply main.
KOLAR DISTRICT.		
10. Kolar town	5,000	An estimate for Rs 18,454 for laying a duplicate main line is submitted to Government for sanction The municipal council is prepared to meet Rs.9454 and a request for a grant of Rs 9000 Towards this, a grant of Rs 5000 is proposed to be given this year
MYSORE DISTRICT.		
11. Nagamangala	3,000	The estimate for about Rs 11,475 is under preparation Half the estimated amount will be made available in two years, as intimated in this office letter No.C 1105-9 dated 19-6-1936. A sum of Rs 3000 is provided this year, the balance being made available during 1937-38
12. Ganjam	3,944	An estimate for Rs 19,988 for the scheme of water supply to Ganjam (Seringapatam town) has been sanctioned in G C No L 47-9 Ml 6-33 dated 2-6-1936 A sum of Rs 6050 towards Government share for the work for the year 1935-36, was adjusted by reappropriating grants sanctioned for other works as per G C No L 9483-93 Ml 113-35-30 dated 15-6 36 The balance of Government share is provided this year.

13. Mandya	5,000 11944	The scheme has been sanctioned at an estimated cost of Rs.61,875 Towards Government share of Rs 31,000, Rs.5000 was allotted as per G.O. of 18th October 1935 and a sum of Rs.2080 more was given by reappropriating grants sanctioned for Town Improvements as per G.O No L.9483-93 Ml. 113-35-30 dated 15-6-36. A balance of Rs.23,920 has yet to be paid. Towards this a sum of Rs.5000 is provided during 1936-37.
SHIMOGA DISTRICT.		
14. Shikarpur	3,000	Estimate not yet sanctioned Rs 3000 is provided towards Government share as a like amount provided last year was not utilised as the estimate was not sanctioned.
TUMKUR DISTRICT.		
15. Madhugiri	2,500	A grant of Rs.2050 was given last year. But work was not done, as the estimate was not sanctioned The amount was re-appropriated for Ganjam water works Half the estimated amount is provided this year for improving the water supply of this town The Deputy Commissioner in his letter No A6 3398/35 dated 27-6-36 informs that the Municipality has provided a sum of Rs 2000 in the budget estimates for 1936-37 for the water supply scheme

Total Rs 55000

Privision has also to be made for the undermentioned water supply works.

1. Arsikere	3,805	A revised estimate for Rs 33,110/- is under submission to Government for sanction Half of the revised estimate viz., Rs 16,555/- is proposed to be given as Government grant As a sum of Rs 12,715/- was ~~provided~~ paid during 1935-36 the balance of Rs 3,805/- has to be provided this year Rs 3840
2. Chitaldrug town	5,000	

Director of Health.

Enclosure No. one

Sir,

In forwarding herewith a copy of letter No. L. 122/El. 118-35, dated 4-7-36, received from the Development Secretary to Government, Bangalore, re: the water supply scheme to Arsikere town, I have the honor to request you to be so good as to let me know whether the sum of Rs. 12750/- being the Government share of the scheme which had been sanctioned but which was surrendered last year, could be made available during the current year. I also request you to kindly let me know the stage at which the question stands at present.

I have the honor to be,
Sir,
Your most obedient servant,

For Deputy Commissioner,
Hassan District.

as.

Letter No. L. 122/Ml. 113-35 dated the 4th July 1936, from the Development Secretary to Government, to the Deputy Commissioner, Hassan District.

With reference to your letter No. 2921/35-36 dated the 29th May 36 requesting that the amount of the grant of ₹ 12,750/- for the Arsikere Water Supply Scheme sanctioned in G.O. No. L. 2821-31/Ml. 113-35-2 dated the 15th October 1935 may be made available in the current month, I am directed to state that it is reported by the Director of Health that the pumping plant required for the water supply has come, and that the bill which was under verification would have to be paid before the end of June 1936.
